Speakers

In 2025, we had 8 different speakers including Michael Runtz who gave 2 talks and also hosted our quiz night.

Topics included:
Quiz
Birds x2
Insects x2
Mammals x2
Wildlife abroad
Amphibians
Banquet: Photographer, author and adventurer Mike Beedel spoke on the Arctic
Member's night which was held in January.

There were a total of 8 different topics including member's night.

We presently have speakers for the remainder of the 2026 spring season and 7 speakers lined up for the 2026/27 season. Several members have given speaker suggestions which will be followed up on in order to fill in the missing dates.
